Omnia is a modern residential development of 86 apartments in El Campanario, one of the most established and sought-after areas on Estepona's New Golden Mile. The architecture focuses on light-filled spaces and a seamless connection to the outdoors, with every home featuring generous terraces designed for enjoying the Mediterranean climate and views over the surrounding landscape.

The development offers a choice of ground-floor apartments with private gardens, first-floor homes with spacious terraces, and penthouses with private solariums. Many units include private pools, adding an extra layer of privacy and luxury. The open-plan layouts connect indoor and outdoor living effortlessly, while floor-to-ceiling windows maximise natural light throughout the day.

Set in the heart of El Campanario, Omnia benefits from a peaceful, low-density residential setting with flat terrain, tree-lined streets and excellent year-round climate. The location provides easy access to Marbella, Puerto Banús and Estepona town centre, while remaining close to international schools, championship golf courses...
